The meeting was called to review a recommendation for increasing pedestrian visibility at the Brackett School.

The following recommendation was proposed.

- Install two "NO PARKING BETWEEN SIGNS" signs 20 feet on either side of the painted crosswalk on the park side of Eastern Ave.
- Install one "NO PARKING" sign 20 feet east of the painted crosswalk (with directional arrow pointing west) on the school side of Eastern Ave.
- Remove the "PICK UP AND DROP OFF ONLY" sign approximately 10 feet east of the crosswalk on the school side of Eastern Ave.

It was noted that the plan will eliminate 3 parking spaces, but greatly improve pedestrian visibility and hence safety. A motion to approve the recommendation was voted unanimously.

Meeting adjourned at 6:40 pm.
